

Collecting and Sending Fecal Occult Blood Specimens

COLLECTION INSTRUCTIONS

This test requires 3 bowel movements.

The Fecal Occult Blood kit contains the following items:

- Instructions for use
- 3 collection slides
- 3 applicator sticks
- 3 collection tissues
- Mailing envelope

Follow the Instructions for use provided inside the Fecal Occult Blood kit. Remember to repeat the steps for each stool specimen.

Please follow the dietary guidelines listed on the back of the Instructions for Use.

MAILING INSTRUCTIONS

Write your name and insurance information on the PeaceHealth Laboratories' requisition form.

After the three samples have been collected, place the Fecal Occult Blood slide and lab requisition in the foil package.

Seal the pre-addressed envelope, attach first-class postage and mail to PeaceHealth Laboratories.
