

# Rapid Influenza A/B PCR and respiratory testing recommendations for winter 2016-17

Customized respiratory testing recommendations for the 2016-2017 winter season have been made for each PeaceHealth medical center, as well as a version for outpatient clinics (see links at right).

Available [www.peacehealthlabs.org](http://www.peacehealthlabs.org) Flu Info Now:

- Facility test options
- Nasopharyngeal collection video
- Virus surveillance data by county

## QUESTIONS?
