# Lecithin-Sphingomyelin ratio no longer available

## **WHAT'S NEW?**

Effective November 11, 2016, Lecithin-Sphingomyelin Ratio is no longer available from our reference laboratory, ARUP. There are currently no other major national laboratories performing this test.

## **UNIT CODES AFFECTED**

### **These tests are no longer available:**

LAB7037 – Lecithin-Sphingomyelin Ratio

LAB2541 – Fetal Lung Maturity Cascade

LAB2542 – Fetal Lung Maturity Profile

## **WHAT'S NEXT?**

The fetal lung maturity test of choice is Lamellar Body Count (LAB1043), available at PeaceHealth Laboratories daily.
